(INCORPORATED IN GREAT BRITAIN.)

SPECIAL NOTES.

A FIRE POLICY will protect your property, including personal effects, against Loss by Fire.

A LIFE POLICY in the "ROYAL" is a compulsory saving affording immediate provision for your family, and in case of your death secure their independence. The Premiums are not heavy, and the small sums invested periodically are not felt.

A Bonus of 7½ per cent. was declared on all "With Profit" policies in the "Royal" for the quinquennium ending 31st December, 1924, thus maintaining an unbroken record for Twelve Quinquennial Valuations, covering a period of sixty years. It is confidently anticipated that bonuses will, for the future, be definitely maintained at a higher level than in the past. The rate of Interim Bonus has consequently been determined from year to year since the close of the last quinquennium; and **INTERIM BONUSES** at the annual rate of **2 per cent.** will be paid on "Royal" participating policies terminated in the twelve months ending 30th April, 1929.

MARINE. A "ROYAL" Policy covering personal baggage in transit by rail and/or steamer is a safeguard against loss.

MOTOR VEHICLES. The "ROYAL" issues Comprehensive Policies covering Private or Business Cars, Commercial Vehicles and Motor Cycles, which **afford the Insured protection** at moderate rates.

WORKMEN'S COMPENSATION.—Rates for this class of Insurance will be quoted on application.

Forms and Prospectuses can be supplied from any of the Company's Agents throughout India and Burma, or from :—
